Hello. In this pen pal letter I'm going to describe my school. I wake up at 6:45 (I think that's too early because I want to have a lie-in), at 7:45 we leave home and we cycle to school. If we arrive at school, our lessons start (at 8:30) our lessons take 50 minutes and after 3 hours (at 11:00) we have a small break of 15 min, and after the 5th hour (at 1:00) we have our big break to eat our lunch. normally our lessons end at 15:10. Then I go home and do my home.

the teachers that are going with us during the exchange are:

mr Verstappen : Biology

mr Diebels : Gym

miss Does : Maths

miss Maassen : philosophy of life

miss Beckers : drawing + handy craft

miss Vermeulen : History

- Our school exists of 2 buildings, the small building (1st + 2nd grade) and the big building (3rd + 4nd + 5th + 6th grade).

- it has also 2 big aula's

- it has a canteen (with all kinds of sand wiches)

* it has 2 big parkings for our bikes.

I hope ^{that} you have a good idea of how my school looks like.

bye bye

XOXO Jannick
