

# MY SCHOOL ?

Joan

Hi!

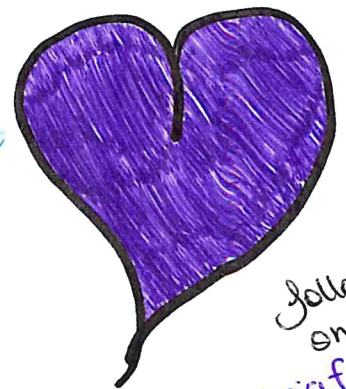

I'm Maria and I go to IES CARMEN Y SEVERO OCHOA high school. There are 407 students. Well, I'm going to 3<sup>rd</sup> ESO, I've got 30 hours of school per week. It starts at 8.30 and finishes at 2.30. I have Maths, English, French, Technology, Geography, Physical Education, Spanish, Biology, Ethics, Art, Chemistry and Tutoring. I've got 4 hours of Maths, 4 hours of English, 3 hours of French, 2 hours of technology, 4 hours of geography, 2 hours of physical education, 4 hours of Spanish, 2 hours of biology, 1 hour of ethics, 2 hours of art, 2 hours of chemistry and 1 hour of tutorial.

My favourite subject is biology and English because I love languages and I love science. I think that maths is the hardest because the exercises are very difficult. Our extra-school activities are the exchange with France, the Erasmus programme, the white week, the week-camp and the end of studies. At the break time, me and my friends sit on a relaxing bench and I eat a sandwich.
