

Hey Julia ☺

In this letter I have to tell something about my school so lets get started:

well this is my school it is called BC Broekhin and it is located in Roermond.

we have per ~~hour~~ les-hour 50 min. so every subject we have is 50 min. We have 2 breaks a small break 15 min. and a ~~long~~ long break 30 min. I like the hours I have:

Monday: from 11:20 till 15:10

Tuesday: " 8:30 " 15:10

Wednesday: " 8:30 " 13:00

Thursday: " 8:30 " 15:10

Friday: " 8:30 " 13:00

→ ~~We have so~~ We do some special things with school with "special" occasions: ~~such as:~~

\* with Sinterklaas we buy presents for the class.

(Sinterklaas is in December and little children get presents and we all eat some delicious sweets.)

\* With Christmas we eat together ☺. (with the class)

\* At the end of the year we do something with the class.

\* And we have some sportdays throughout the year.

We all cycle to school, so in the winter it is very cold.

(Today (13-12) I forgot my gloves my hands were like freezing)

I live 6 Kilometers from school so I have to cycle ~~a~~ half an hour.

I don't like to cycle I think it's horrible, but I have to. ☹

So that's what I needed to say about school ♡  
(I don't like school here)
